

Pennsylvania Recycling Markets Center

Recycled Materials & Markets Center of Excellence

Become a Partnering Business Today!

The Pennsylvania Recycling Markets Center (RMC) invites you to participate in new opportunities with the Recycled Materials & Markets Center of Excellence.

The Recycled Materials & Markets Center of Excellence is an RMC program that focuses on applied technological assistance, with a concentration in innovative markets development for recycled materials. Its goal is to inspire and nourish ideas that have commercial benefit.

The Recycled Materials & Markets Center, supports innovative markets for recycled materials. It is a network for sustainability minded businesses, recycled materials processors, end users of recycled materials, and non-profit organizations that influence Pennsylvania materials markets. Participants will not only gain insight of industry forefronts, they will be advertised to potential customers and professions that influence use of recycled materials.

The Pennsylvania Recycling Markets Center, a 501c(3) corporation, has emerged as a premier entity in developing and expanding recycling markets. The Recycling Markets Center is the keystone portal of economic development, environmental, and manufacturing resources for end use support of recycled commodities and products.

Success Stories...

“With the expert help and guidance of the RMC Center of Excellence we were able to market triple-mix recycled glass that was previously viewed as trash and turn it into a marketable commodity with a strong demand and growing future interest.”

Matthew Cogle, COO
Cogle's Recycling Inc.

“Becoming an RMC partner was a logical next step for us. As we continue to grow our company and expand our sustainability program, finding new markets for our recyclable waste will be increasingly important. Ultimately, we want our program to benefit the environment while having a positive impact on our bottom line.”

Kevin Small, Vice President,
Construction & Development
Weis Markets

Become a Partner - Today!

Center of Excellence Partner

\$1500

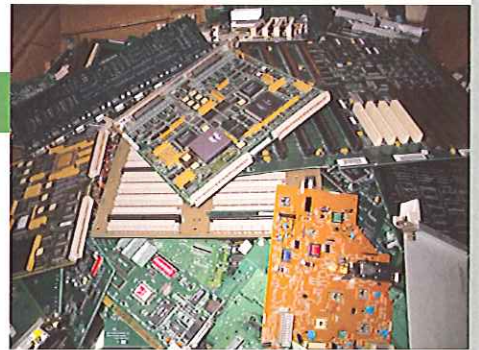

Who Should Join?

- Manufacturers of Recycled Content Products including Organics Recovery Facilities
- Organizations & Businesses with Sustainability Objectives
