Experts helping industry decision makers, the Pennsylvania Recycling Markets Center (RMC) is a non-profit corporation with a mission to expand and develop markets for recycled materials. Services include one-on-one technical assistance and business growth consultancy; industry outreach and programming; applied research; and ready access to recycling markets development information.

RMC collaborates with many environmental, economic development, and technical assistance organizations resulting in fast-tracking of time to market for processes or products that use Pennsylvania's recycled materials. RMC is headquartered at Penn State Harrisburg with satellite offices near Pittsburgh and Philadelphia. The RMC is funded in part by the Pennsylvania Department of Environmental Protection.
